Secretaries:* FRANCIS COLLINS, M.D., Pateley Bridge; G. D. LUMB, 65, Albion Street, Leeds, to whom applications for membership should be sent.

A few sets (about eight) of the back publications can still be obtained on application to the Secretaries. Donations and legacies to the funds of the Society, and offers of donations towards the printing of any particular register, will be gladly received.

PREFACE.

THE REGISTERS of the Parish Church of Cherry Burton are contained in several books. The present volume contains the first and second books.

The first book contains entries dating from 1561, copied from an older Register (which unfortunately seems to have been lost), as appears from the following heading at the beginning of the book:—
"The Register Booke of North Burton, *Alias* Cherry Burton.
"Transcribed according to the olde Booke, Anno Dom. 1647, Regis
"Caroli xxiii."

On the last page we read: "This Register booke was belonging
"to Mr. Thomas Micclethwayt, & was most of it transcribed out of
"ye old Register by Nicholas Pearson," &c. &c., but it is evident, by the various styles of handwriting, that Nicholas Pearson transcribed only part. The book measures 12 by 7 inches, and is bound in rough leather and stamped—

CHERRY BURTON,
1647.

It consists of 52 parchment leaves, numbered; about six and a half pages are blank, and part of the last leaf has been removed. Three pages are in a very dilapidated condition, the ink having almost disappeared, but the *impression* of the ink has remained, and with the aid of a magnifying glass much has been deciphered. It will be noticed that the Baptisms between 1604–1612 are missing.

This Register contains some interesting notes, a list of those who "tooke the Scottish Covenant under Mr. Micethwayte," in 1686, and a list of the "Ancient Familyes of Cherryburton," compiled by the Rector in 1683.

The transcribed entries of Births, Marriages, and Burials are continued respectively to 1688, 1705, and 1683, but as these are in duplicate, and contained in the second book, it was considered unnecessary to print them, but any material difference between the two entries is contained in brackets.

The second book measures 15 by 6 inches, and is bound in rough leather, stiff covers, and consists of 34 paper pages and 44 parchment pages, several of which are blank. The book is closed with tape tags in the place of clasps, and on the outside of the cover is a red label, embossed in gilt letters—

REGISTER
CHERRY-BURTON
Co. YORK

and is in an excellent state of preservation, but the writing in places is very bad. It gives the impression that the book originally belonged either to the "Register" appointed by the Parish, or to some person appointed to collect the taxes, &c., as the paper leaves contain an account of the collections made for different objects, various payments made, and also all the burials in woollen. On one leaf at the beginning of the book is written, "Henry Gayton his Booke." The parchment leaves (which are slightly smaller than the paper leaves) are bound at the end of the book, a few paper leaves remaining.

This Register has been exhibited several times in Court (*vide* notes at the end of the book), and is an example of the value of these parish records as evidence in legal proceedings.

The thanks of the Society are due to the Vicar (the Reverend Bramwell Burton) for his kindness in allowing the transcription to be made and printed.

Yorkshire Parish Register Society.

REPORT FOR 1902.

THE Council of the Yorkshire Parish Register Society beg to present their Fourth Annual Report. They are pleased to say that the Society is still receiving a fair amount of support, and that the number of members for 1902, notwithstanding a considerable loss from deaths, was 258.

The Registers of Hampsthwaite, Wath-on-Dearne, and Brantingham have been issued to the members for that year. The Registers of Cherry Burton, Hartshead, Linton (Part II), and Marske-in-Cleveland are in the press, and will be issued to the members for 1903.

It is intended that the Registers of Howden (Part I), Pickhill near Thirsk, and Bolton-by-Bolland shall be issued for 1904. The Registers of Allerton Mauleverer, Askham Richard, Cowthorpe, Crofton, Emley, Farnham, Gargrave, Giggleswick, Hackness, Otley, Rothwell, Saxton, Sowerby near Thirsk, Terrington, Thornhill, &c., either have been copied or are being copied. The want of funds alone prevents their being forthwith printed, and offers of donations for that purpose will be gratefully received.

In order that the Council may make better headway with the Registers of so large a county as Yorkshire, it is very desirable that the membership should be largely and constantly increased, and it is suggested that every member can assist the Council in that respect, by persuading at the least one of his friends to join.

Sir Thomas Brooke, Bart., the Rev. N. J. Miller, and Messrs. John Charlesworth and J. W. Clay retire from the Council by rotation, and they and the officers of the Society are eligible for re-election.

RULES.

1 That the name of the Society shall be "THE YORKSHIRE PARISH REGISTER SOCIETY," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.

2 That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries, and a Treasurer, with not exceeding twelve other members.

3 That the officers and one-third of the members of the Council shall retire annually, but shall be eligible for re-election.

4 That three members of the Council shall form a quorum.

5 That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New members may be elected by either the Council or the Society.

6 That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.

7 That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members. At this meeting a report of the work of the Society, with a statement of the income and expenditure, shall be presented. These shall be annually published, together with a List of Members and the Rules of the Society.

8 That so long as the funds of the Society permit, three volumes at least shall be issued to the members in each year.

9 That copies of the publications of the Society shall be supplied to members only.

10 That no payment shall be made to any person for editing any work for the Society, but that the Editor of each volume shall be entitled to ten copies of the work so edited by him, and the Incumbent to two copies for the use of the parish.

11 That the Council may require any Transcript to be examined by them before publication.

12 That each volume of Registers published shall have a full index of both Christian and Surnames and of Places.

13 That the Treasurer's accounts shall be audited by a member of the Society, who shall be elected at a meeting of the members.

14 That no alteration shall be made in any of the above rules except at the Annual Meeting. Notice of any proposed alteration must be sent to the Hon. Secretaries a month before such Annual Meeting, and by them communicated to the members.
